Nebraskans United for Life Petition to Stop the Opening of Planned Parenthood at 3105 No. 93rd Street, Omaha, Nebraska

We the undersigned are asking the Omaha City Council and State Senators of Nebraska to do whatever they can to legally stop the opening of Planned Parenthood at 3105 No. 93rd Street in Omaha, NE. They have stated that they will perform chemical and surgical abortions which kill the life of an unborn human being and harm women. Since 1973, Planned Parenthood has killed over 4 MILLION babies in the U.S. This Planned Parenthood will be right down the street from a day care center and cause disruption in the neighborhood with protests and graphic signs, along with lowering the property values of homeowners and ruining surrounding businesses**.**

Please return signed petitions to Nebraskans United for Life office at 143 So. 38th Street, Omaha, NE 68131, Phone: 402-399-0299.
